The BIPOC Alliance
140 W Oak St Fort Collins Co 80524
(Inside the oak street mall)

We use the philosophy of harm reduction in a peer led space to keep each other safe, radically love each other when others don't, and continue to empower one another by sharing knowledge and wisdom that we can only gain from one another. This space is inspired by Shira Hassan and her work.

Free drop in space, acudetox provided
and snacks
